deVOL Handcrafted Pull Handles

- Our original handles are available in a variety of living finishes which will change naturally over time and get better with use.
- We recommend that you order your knobs and handles all together in one batch to ensure they are perfectly matched as a set.
- All handcrafted handles are supplied with matching countersunk brass screws.
- Please affix individually, these handles are handcrafted so the dimensions and hole locations can vary slightly.
- Clean with mild soapy water and a soft towel. Harsh cleaners with bleach and scouring pads will scratch and damage the finish.
